
Texas District Church Extension Fund

From the office of:
Becca Jones
Executive Director

March 19, 2020

Dear Valued Ministry Partners,

At this time when the news is dominated by Coronavirus (COVID-19) please know that we too are vigilantly monitoring the situation and taking actions to comply with directives which are based on facts and medical science. In support of the need to flatten the coronavirus curve, we have implemented a split-shift work schedule including a work-from-home component. We are well-equipped technologically and operationally and have taken steps to ensure our ability to serve you with minimal disruption. These are certainly unprecedented times. No one could have ever imagined in an age where people are more connected than ever before, we would be practicing social distancing and isolation.

All that said, please be assured, Texas District CEF will continue to process investment and loan activity in a way that keeps both our partners and staff safe. Additionally, we are monitoring investment and loan rates and will respond responsibly as the situation unfolds.

We encourage you to visit the Texas District COVID—19 resource page for valuable information and links at <https://txlcms.org/covid-19-resource-page/>. If you have a specific need or question related to your Texas CEF investment or loan, please contact us at 512-646-1233.

God willing, our lives will return to normal relatively soon. Regardless, we know that faith in the saving grace of God brings us true peace at all times.

In His Service,

A handwritten signature in black ink that reads "Becca Jones".

Becca Jones
Executive Director
