Texas District Mission Prayers

May 3, 2021

Grace Divine, Hurst led by Vicar Sammy Roberts in partnership with Peace, Hurst

Korean and Asian American Church Plant, Carrollton - led by Jae Park

I am so encouraged and thankful that there are dear brothers and sisters in Christ with whom I can share my ministry prayers, as I begin this journey with the LORD to raise up a new Korean and Asian American ethnic congregation in Carrollton, Texas this year. I can see the hand of God leading me to meet prayer partners.

Please pray that:

- The Lord God would bless ministry prayer partners and lead me to get connected to more committed prayer partners
- God would establish ministry small group leaders and small groups for couples and singles
- God would open doors to reach out to His people and open their hearts to confess Christ Jesus as the Lord and Savior.
- A few names to pray for: Herman & Susan H, Dennis & Stephanie P

Mosaic Ministry Network, Fort Worth - led by Vicar John & Keeya Vawar

We are thankful and we celebrate God's faithfulness for:

- The mission of Mosaic and partnership with Christ Lutheran Church in Fort Worth
- Wellington Morris' progress in the church plant effort at Christ Lutheran Church
- My vicarage transfer to Christ Lutheran and the launch of ASAP in the SW Fort Worth area

We honestly covet the prayer of the District and partners in ministry as we:

- Prepare for the launch of worship services (Mosaic Worship) in Fort Worth
- Engage apartment communities in the SW Fort Worth area and introduce After School Achievement Program for Kids
- Pursue strategic partnerships with churches in Circuit 19 for the expansion of Mosaic Network

Please also continue to pray for Keeya and I as we continue mission and evangelistic work throughout Area B, and as we continue to work with ethnic leaders within our sphere of influence. Remember our family, health and education.

New Immigrants and African-American Church Plant, Southwest Fort Worth - led by Wellington Morris

The Lord has been faithful to me since I migrated to the US about eighteen months ago. Here are some provisions and experiences we can celebrate, praise, and be thankful to God for:

- The Leadership Development/Planting Grant from the District
- The safe arrival of my wife, Williette, to the US from Liberia
- COVID-19 vaccination for both me and my wife without side effects

As for specific prayer requests and challenge, I would be grateful were you to kindly remember me for the following:

- The second phase of my Colloquy process in Missouri
- New Church Plant (Worship Service Plant) at Christ Lutheran Church targeting immigrants and African-Americans in the Southwest Fort Worth Community
- Living Accommodations (relocation to South Fort Worth) and a vehicle for ministry purposes.
- Integrating into the American culture.

Again, many thanks for lifting me up in prayer this week.

*You also must help us by prayer, so that many will give thanks on our behalf for the blessing granted us through the prayers of many.
