## Texas District Mission Prayers

January 17, 2022

[Camp Lone Star and Staff](#) led by DCE Aaron Littman

### Prayers of Thanksgiving & Praise:

- We rejoice for Joel Eisenbraun joining our staff as the new Director of Ministry Operations at the Pines Campus. Please pray for wisdom and discernment as he oversees the day-to-day operations of that campus and for him and I as we work together to discern the vision and purpose of this new campus.
- Another prayer of thanksgiving is for two of our interns, Cheyenne and Katherine (*on the porch in the picture*). They were traveling to the Pines Campus to work a retreat when they were side-swiped on the highway. After being spun around, they safely pulled over on the side. By God's grace and timing, good friends of camp just happened to be in the same traffic and saw the Camp Lone Star logo and were able to stop, pray with them, and make sure they were okay until the police arrived. Thankfully everyone involved walked away with minor injuries.

### Prayers for Upcoming Plans & Events:

- We are nearing the end of the design phase of our Cultivating Real Life Capital Campaign projects. Please keep in prayer our campaign projects, the architect and construction teams as we look to best steward the gifts of God so we can better care for people, serve more guests, and impact more lives for generations to come. If it's the Lord's will, we will break ground in February on these projects.
- Pray that, if it's the Lord's will, He would continue to generously provide the funding and donor support of these projects for us to see these project outcomes realized for the growth of God's Kingdom.

### Prayers for Challenges:

- We have 4 staff vacancies currently after two couples (all four staff) left for other job opportunities. This has created a strain on the rest of the staff remaining. Please pray that God would bring the right people to fill these roles swiftly but in His timing.

- Pray for strength for our current staff to navigate how to best serve our guests and plan for the future given these vacancies. Please pray for me as well, that God would give me the wisdom to walk alongside our staff and encourage and uplift them during these transitions.

**Abundant Grace Lutheran Church, San Antonio** led by Rev. Arturo Pena

**RioMAC** led by Rev. Steve Morfitt

**The Church @ Brooks/Hitched Coffee** led by Rev. Philip Doublestein

- Prayers of thanksgiving that after having an incomplete board for several years, one member decided to step down, leaving LINC San Antonio down to 4 board members. Praise God that it led to 4 more people stepping up and saying yes to serving on our board. We are one member away from the maximum allowed by our constitution.
- We are hoping to make the move to a more serviceable space - still at a movie theater, but in the space of their former arcade. It will require more from our members on Sunday mornings, but we will have a space for everything we plan to do. Pray that we are able to afford it and that the congregation supports it with their time and energy.
- Prayers for joy and refreshment of Pastor Doublestein and the leadership team through the sometimes lonely work due to pandemic protocols and planting ministry.

**Little Elm/Aubrey Area (NW DFW) Mission Plant** led by Rev. Travis Hartjen

*You also must help us by prayer, so that many will give thanks on our behalf  
for the blessing granted us through the prayers of many.
