Texas District Mission Prayer Update

August 1, 2022

Dear Texas Mission Prayer Partners,

As you see below, this week we have an opportunity to pray for our Lutheran school principals, staffs, students, families, and campuses in Texas. I give thanks to God for your faithfulness in prayer. May He pour out His Presence and fill your times of prayer and praise!

Texas District Lutheran Schools:

Dr. Jim McConnell

Faith Lutheran School, Huntsville

- Please keep our school in your prayers this year as we navigate some teacher shortages in our Preschool and in providing a quality Christian education for the children of our area in such times of economic uncertainty. We are optimistic and blessed with a dedicated staff of teachers and aides and know that God has BIG plans for us this school year.

Principal Kate Thaelke

Our Savior Lutheran School, Houston

- We are grateful to God for providing us with a full staff this year. God has provided our school with quality, dedicated teachers to serve in the classroom and for new members of our administrative staff as several of the staff retired this year.
- We are also thankful for 69 new students He has brought to our campus this year. We are looking forward to a record enrollment this year.

Principal Becky Cavage
St. Paul Lutheran School, Thorndale

- Pray for school starting soon and the many changes occurring on our campus as we're getting ready for the first day of school (opening of the new building, soon to be removal of portable buildings, many new smiling teacher and student faces, etc.).
- Pray for staff members settling into their new contexts. All but one staff member are either new or have had to relocate classrooms due to the opening of the ECE Building.

You also must help us by prayer, so that many will give thanks on our behalf for the blessing granted us through the prayers of many.
